

DATA PROCESSING NOTICE

This data processing policy applies to systems developed for clients, in accordance with their requirements regarding the processes and form of personal data management.

Pursuant to Articles 13 and 14 of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation), hereinafter referred to as the GDPR, we inform you that:

1. The data controller is: Veloce Software, ul. Bobrowiecka 3A/206, 00-728 Warsaw. Contact with the controller: biuro@veloce.pl
2. The owner of the system and of the personal data is the client for whom the given system was created.
3. Personal data is not stored by us and is not used for our own purposes.
4. Personal data may be used for the purposes of:

Data processing

Data is processed for the purpose of ensuring the proper functioning of the systems and to carry out the specific tasks for which the system was designed. The controller may modify personal data at the request of the system owner.

Conducting correspondence

The controller may contact the user in order to clarify system malfunctions, or, at the user's request, to carry out additional tasks for processing data that the system does not otherwise perform.

Ensuring the security of services and networks, including preventing unauthorized access to electronic communications networks and preventing damage to computer systems.

The controller has access to user data in order to verify the correct operation of the system and to verify the functioning of processes.

5. Subject to all data security guarantees, your data may be transferred to:

Other service providers

Personal data may be transferred to other service providers cooperating with the system owner that have an integrated connection for the transfer of data. Such transfer of data is solely for the purpose of verifying or supplementing the data, in cases where automatic processes have not functioned correctly. The transfer of data takes place with the knowledge and consent of the system owner.

6. As the controller, we are not responsible for the data retention period or for handling requests for its deletion. The retention period is determined by the system owner. To request the deletion of personal data, please contact the system owner, who, upon approving the request, will forward the relevant notification to the controller.
